Ex. 4 - CBI

This is a report Ex. 4 - CBI did for me last week that is basically what I need with the following modifications:

Delete the following fields  
ship date from  
ship date to  
status

the add the following fields to what is left:  
program  
site activity  
RAS

The date receipt is the key criteria;  
one report for date receipt from 10/1/10 thru 9/30/11  
one report for date receipt from 10/1/11 thru 7/3/11

Need reports in excel.

Thanks
